

The One True Source in Uncertain Times

Philippians 4:6,7; Psalm 118:8; Isaiah 40:8

There is nothing that is more apparent than this, "Everything that man has built and depended upon is no longer reliable." - Jerry Savelle. The sources that man has relied upon are running dry. In 2009 we saw people who were millionaires suddenly become food stamp recipients. All the sources people depended upon - even built their lives on - are having their shaky hopes and beliefs exposed.

Many followers of Christ are and have experienced their foundations and worldly beliefs exposed. Some who hear this message are wondering what to do and are living in fear of what tomorrow may bring. The message today is to be of good cheer. We serve the One, True, Source of life in uncertain times. Perhaps you are stuck and don't know where to turn. God is the source of your life. Look to Him.
