

## Who's Your Daddy?

John 3:16, 17

In the sport of bowling there is one mark that everybody strives for and that is the 12th strike on a single game; we call this bowling a perfect game. Many people have achieved it once, some twice, and a select few three or more times. The world record is 300-3 times in a series for a total series of 900.

God's Word says that, "Without holiness no one can see God." (Hebrews 12:14) Let me interpret the scriptures for you using a bowling analogy so that you can fully understand the difficulty of this: without a perfect game nobody can talk to God. What if Jesus didn't come down to this earth and die on a cross, rise again and give us the right to enter into the presence of Almighty God as a father/child relationship? We would have to bowl a life game of 300 just to talk to Him!
