

Living an Excellent Life
God's Secret Weapon
Ephesians 2:10

God has a perfect plan for you! The problem with that statement is that for God's plan to be made perfect, it must be fulfilled in God's time. When we look into the life of Moses, at first glance we see what looks like a mess of a life that just happened to turn out right. Moses was born at a time when the Egyptian king, Pharaoh, was killing all the Hebrew baby boys. Yet, Pharaoh ended up raising Moses and paying Moses' mother to help raise him. After committing murder, Moses fled to the desert and herded sheep for 40 years before God's perfect plan could ever take place. How does this pertain to you? If we allow God's perfect plan to be built in us, we can become God's perfect spiritual weapon for His glory.
