

"Trust Me, I do this all the time!"

Proverbs 3:5, 6

We are reminded that the Christian revelation owes nothing to human wisdom.

Our understanding of things cause us not to receive the blessings that God has for us . . . it limits us as believers.

That is why God tells us, "Do not rely on it, acknowledge me. I will reveal the plan. Trust me, I do this all the time."

Trust, not by the worlds definition of understanding, but by the wisdom of God revealed in us can we understand (trust) in God.
