

Experiencing New Vision
Living Outside of the Box
Ezekiel 47:1-5

For the last couple of weeks most of the world watched a sporting spectacle that happens every four years; the summer Olympics. The Olympics cause us to watch sports that we would never ever dream about watching or even giving it a second thought. Take the sport of water polo; just how often do you actually watch water polo?

Did you know that it is the national sport of Hungary?

Do you believe that you will ever participate in a water polo match? We all have our own comfort zones. Maybe you are living in your own little water polo zone, reluctant to leave, settling for a limited and safe existence while God has rivers of faith deep enough to swim in.
