

Living Big Dreams

The Equalizer

John 4:46-54

There is never anything as desperate as the moment when you discover someone whom you love deeply is in trouble. The trouble could be any number of things like the word cancer or heart attack. How about a job loss or the word divorce? Maybe you have experienced the words, "The baby within you has problems." Or, even the devastating phrase,

"You only have a few months to live."

Whatever the tragic words are, I know that we have a tendency to cry out to God and seek him in a different way than when our life is traveling down the freeway of ease.

There was a man, whose son was on the verge of death, who came to see Jesus just like we do when disaster strikes us, and what he received was a miracle that saved him his most precious commodity.
