

Recession Busters
When All Hope is Lost
II Chronicles 20:15-22

Have you ever come to a point in your life where no matter how hard you tried you were not able to find a solution to an impending problem? I have. There are many times in life that each one of us will be faced with a problem that has no worldly answer. Sometimes our natural tendency is to "try anything." We begin to listen to any idea and are willing to try any method that is presented to us.

When we have exhausted all worldly and traditional ideas, when it seems that all hope is lost, know and understand that our Heavenly Father delights in making the wisdom of the world look like nothing but foolishness. I Corinthians 1:20
