Sometimes we have to just get mad!

Sometimes we have to get so mad that we will finally ask ourselves the \$10,000 dollar question of why? Why are we so bound up with financial lack? Why are we being robbed of our abundance? Is God's Word true? Can I trust His Word? The answer is a resounding YES! God's Word tells us that God is true and man's words are false (Romans 3:4). God's Word tells us that we can be financially secure. Yes many of us are bound by the world's financial system but the good news today is that all can be set free.

Here is a note worthy statement: "If we will stick to the Word of God, rebellion and bad habits will begin to fall off our lives and obedience will come to the forefront." If our desire will be to serve the Lord, then we will spend our days in prosperity and our years in pleasure as we "take heed according to His Word."
