

Life Changing Truth

1 John 4:7-19

God loves you. This is the number one, most important thing you could ever know in your life. Once a person knows this truth faith begins. Once faith begins the impossible becomes possible. God's love for you is the reason Jesus came to open the doorways to an eternal life, a healthy life, an abundant life, and **complete** deliverance from the power of the enemy of your soul.

A life yielded to the love of God truly becomes heaven on earth. I do not believe that we are here on this earth to live in hell. I do not believe that we are to live on this earth to struggle with poverty, sickness, difficulty, and to barely scrape by. When we truly accept ourselves in the love that God has given us and received us with, we will get a clearer picture of what Christ gave His life for and that is a totally redeemed you!
