

## A Dead Religion or a Live Relationship?

Mark 11:22-25 (The Message)

I believe that you are here today because you are truly interested in living a life that is filled with everything our Heavenly Father has and wants to give.

God's Word can make all the difference in the world in your life, but it is up to you whether it does or not. When you hear the Word and what God says to you in His Word, you can either take it or leave it. The truly wise person will take God's promises and run with them.
