

You Are Fully Equipped

Ephesians 2:10; Romans 12:3b; Philippians 1:6; Romans 12:1-2 (The Message)

In 1996 there was an Isuzu dealer here in Reno advertising a new pickup truck for sale for \$2599. Janet and I needed a vehicle and decided that we could just afford one of those trucks so I went to the dealer to make a deal. I had cut out the ad from the newspaper and brought it to the dealership and said, "I want this truck." The salesman proceeded to try to sell me many add-ons including a radio, a bumper, air-conditioning . . . etc., but we only had \$2599. Finally, after 20 minutes, he needed to talk to the manager because they had never sold a truck like this before. The manager said they had to sale it to us because it was advertised and so we walked out with a \$2599 stepped down pickup truck.

Many people believe that when they accept Christ into their heart that they just receive a stepped down salvation, but that is not true. Every believer has everything they need already inside themselves. You are a fully equipped version of God's masterpiece.
