

## Living in the Dimensions of God Surrounded by Defeat Genesis 26:1-6, 12, 13

Last week we made this declaration, “you have all the wisdom you need- not just to survive the economic storm that is raging around us but to prosper in the midst of it!”

One of the reasons we have such confidence is because God is in our life and consistently talking to us through His Word that if we stay in His promised land that He will be with us even when we are surrounded by defeat. You are not on your own. He will be right beside you telling you what to do. If we listen to God and obey His word just like it makes sense, you will be a “survivor in the middle of a mess”-Kenneth Copeland

Zig Zigler says that, “The most influential person who will talk to you all day is you. So you should be very careful what you say to you.” I would add that we need to learn what God says about us and tell ourselves what God says about us.
