

Spiritual vs. Physical Laws of Blessing

Hebrews 11:3, Romans 8:2, & 1 Peter 1:25

There are laws that govern every single thing in existence. Nothing is by accident. Your presence here today is not by accident. There are laws of the spiritual world and there are laws of the natural world. The laws of the natural world govern our everyday life. Take the law of gravity, we don't float -we walk. What goes up, must come down. Do you get the drift?

The spiritual world and its laws are more powerful than the physical world and its laws. Spiritual law gives birth to physical law. The law of faith is beyond the physical laws. Take Philip in Acts 8, the law of faith superseded the law of gravity.

The same rule is true in prosperity. There are certain laws governing prosperity in God's Word and if we are to experience the abundant prosperity, spoken of in God's Word (Deuteronomy 28:11), we must learn and tap into the prosperity laws of God.
