

The Established Truth of Blessings

Deuteronomy 29:9, Deuteronomy 8:17-18, & Joshua 1:5-9

One of our established truths, based upon God's Word that we stand on here at *CrossWinds*, is that God cares more about us than we do about ourselves. Sometimes this just doesn't make sense to our natural mind. Remember that we have already established in our summer series understanding the law of blessing. The Lord laid out spiritual laws before He established the natural Laws by which we live our lives here on this earth.

The Lord gave us His Word so that we may live in the spiritual abundance that results in physical abundance. It is not God's law for anybody to live in poverty. Sin produced poverty and sin continues to produce poverty. God gives us the power to gain wealth in order to establish the truth (His Word) of His blessings.

Today we want to understand the established truth of His blessings declared for His children.
