

**Blessed to be a Blessing
Becoming a Blessing Distributor**

Deuteronomy 8:18, Ephesians 4:28, 2 Corinthians 9:8, & Matthew 6:33

As you have begun to meditate on and apply the Biblical principles and promises we've looked at, I believe a shift in perspective will begin to take place in your thinking. You'll see God desires more than for you to tap into heaven's resources. His desire is for you to live out a continual flow of heaven's supply –to live and give to others out of an entirely different system. He not only wants you to experience the blessings of heaven, He wants you to live in and be a distributor of His blessing system through the whole earth.

God has a purpose for His people to prosper. God has freed us from the world's system and cycle of greed, lack, and worry. He has a system that is capable of opening the windows of heaven for His children to have more than enough.
