Lessons from Stress

2 Timothy 4:3-18

Let's be honest, most of us want to eliminate stress rather than mature through it. Americans in particular, want to have a life of ease and to be free of distractions and stress of any variety.

1. Stress provides an opportunity to model a life of faith, improve the quality of our hearts, and confirms God's vision for our lives.
2. There are four elements of a true life of faith.
 1. Living alert (keep your wits and your head out of the sand.)
 2. Live tough because life is not fair.
 3. Live evangelistically because opportunities are everywhere.
 4. Live excellently; do your best in every situation.

Conclusion

We cannot dream big unless we know where we are going; knowing that the Lord will rescue us from evil attacks and bring us safely to our destination.
